

Suggested School format sample (3-days course)

Local organization FOR THE STUDY OF HEADACHE

in conjunction with

EUROPEAN HEADACHE FEDERATION

presents

Title of the course

**International School on Headache and Related Disorders
Venue, City**

Day 1-3 Month, Year

Day 1, month

8.30.-10.30: section 1

Chairmen:

8.30 Special Lecture 1: **Classification of headache (Speaker, 30m)**

9.00 Epidemiology of headache (speaker 20-25, discussion 5m)

9.30 Pathophysiology of headache

10.00 The burden of headache

10.30-11.00 coffee-break

11.00-13.00 section 2: Migraine

Chairmen:

11.00: Classification of migraine

11.30: Clinical picture of migraine

12.00: Complication of migraine

12.30: Taking the history

13.00-14.00 lunch

14.30-16.30: section 3: Migraine

Chairmen:

14.30: (video) case report

15.00: Comorbidities of migraine

15.30: Acute drug treatment: NSADs & ergot

16.00: Acute drug treatment: triptans

16.30-17.00; Coffee-break

17-18.30: section 4: Migraine

Chairmen:

17.00: (video) case report

17.30: Prophylactic drug treatment: part 1

18.00: Prophylactic drug treatment: part 2

20.00 dinner

Day 2, month

8.30.-10.30: section 1 Tension-Type headache (TTH)

Chairmen:

8.30 Special Lecture 1: **Pathogenesis (Speaker, 30m)**

9.00 Epidemiology of TTH (speaker 20-25, discussion 5m)

9.30 Classification and clinical picture

10.00 Comorbidities of TTH

10.30-11.00 coffee-break

11.00-13.00 section 2: Tension-type headache

Chairmen:

11.00: Pharmacological treatment

11.30: Non-Pharmacological treatment

12.00: TMD and headache

12.30: Medication misuse headache

13.00-14.00 lunch

14.30-16.30: section 3: Varia

Chairmen:

14.30: (video) case report

15.00: benign idiopathic headache

15.30: Headache attributed to neck disorders

16.00: The headache in emergency department

16.30-17.00; Coffee-break

17-18.30: section 4: Migraine

Chairmen:

17.00: (video) case report

17.30: Cranial Neuralgia

18.00: Which examinations in headache

20.00 dinner

Day 3, month

8.30.-10.30: section 1 Trigeminal autonomic cephalalgias (TACS)

Chairmen:

8.30 Special Lecture 1: **Pathogenesis of Tacs (Speaker, 30m)**

9.00 Epidemiology and classification of CH (speaker 20-25, discussion 5m)

9.30 Clinical picture

10.00 Pharmacological treatment

10.30-11.00 coffee-break

11.00-13.00 section 2:

Chairmen:

11.00: Paroxysmal hemicrania Clinical picture and treatment

11.30: SUNCT

12.00: Differential diagnosis of Tacs

12.30: Post-traumatic headache

13.00-14.00 lunch

14.30-16.30: section 3: Varia

Chairmen:

14.30: (video) case report

15.00: Headache in elderly

15.30: Headache and hormonal life

16.00: Treatment of menstrual migraine

16.30-17.00; Coffee-break

17-18.30: section 4: Headache in Children

Chairmen:

17.00: (video) case report

17.30: Migraine in children

18.00: Use of drugs in children

20.00 dinner
